Criteria

In order to successfully complete the Diploma course, applicants will be required to attend the above 130 hours of tuition which will include practical demonstrations of techniques and processes by firstly the trainer, and then by the students - if for any reason you are unwilling to give or receive hypnotherapy, then please do not apply for this Course.

Also, please note that you will be given 3 or 4 homework assignments and be expected to read extensively on the subject of Hypnotherapy - your tutors will inform you of recommended reading material.

The Diploma in Advanced Holistic Hypnotherapy (DAHHyp) Certificate is awarded upon satisfactory completion of (a) attendance / study, (b) homework assignments and (c) the written examination (maximum one re-sit permitted per Course).

PLEASE NOTE

Although our Courses have attracted interest and bookings from already qualified Hypnotherapists, the AHH Diploma Course is very much aimed at the caring and/or spiritually inclined individual seeking a part- or full-time career where the results are both financially and spiritually rewarding. Therefore, **no previous hypnotherapy experience is required**. We have called it Advanced because the course content is comprehensive and exceeds that of most other courses, and is exceptional in that it features 3 distinctly different yet extremely effective styles of working with clients, one more structured and systematic, the others more free-flowing.

I, <Print Name>..... agree to the above criteria.

*The AHH Diploma in Advanced Holistic Hypnotherapy is a nationally recognised course, and is accredited by **The Hypnotherapy Association**, the largest independent organisation for full-time hypnotherapists in the UK. Because this Course meets the Hypnotherapy Association's exacting standards, our students are entitled to free Student membership, and our graduates are able to join the HA at intermediate level as Licentiate members. You would therefore be entitled to use the designations **DAHHyp, LHA (Reg Hyp)** after your name (www.thehypnotherapyassociation.co.uk).*
